

**REMARKS**

Claims 1-12 and 14-41 are all the claims pending in the application.

Applicant thanks the Examiner for indicating that claims 26-32 contain allowable subject matter.

Claims 25 and 26 have been canceled and their limitations have been added to claim 1. Therefore, claim 1, and its dependent claims should now be allowable. Applicant also notes that limitations from original claim 13, which were added to claim 1 in the November 10, 2009 amendment have been removed from claim 1 and added in new claim 42. However, claim 1 should still be in condition for allowance because claim 26 was allowable prior to the limitations from claim 13 being added to claim 1. See the August 14, 2009 Office Action.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
